

Crimping tool with cable tester

DN-94013 4016032315742

Crimping tool with cable tester
for 8P8C/RJ45; 6P6C/RJ12; 6P4C/RJ11; 4P4C 4P2C Plug & DEC/OFF SET Plug 6P6C

Specifically designed for easy crimping and quick testing of your network cable.

Save time and money with the new crimping tool from DIGITUS®. The practical merger of a normal crimping tool with a small cable tester not only saves space, but ensures immediate and quick testing of the network cable after crimping. You can store the tool very easily into it's bag and fix it on your belt. The innovative combination of crimping tool and cable tester makes the DN-94013 a practical and flexible helper in each working place.
